

## **Beware of Unofficial Vendors**

NPE2027 exhibitors have reported receiving solicitations from vendors NOT affiliated with Plastics Industry Association (PLASTICS) or NPE—specifically regarding hotel reservations and attendee list sales. Please review the information below and remain vigilant of unofficial vendors.

### **Hotel Reservation Scams**

The NPE Show Management Team has previously received reports from exhibitors who booked hotel rooms through various third parties only to subsequently learn that no reservations were in place and their deposits, along with full prepayment, were not returned.

Additionally, numerous convention visitor bureaus are reporting hundreds of complaints from trade show managers who are receiving similar reports from exhibiting companies who booked rooms through a “third party room broker” and ended up at sold-out hotels with no reservations and no recourse for the payment of rooms. These brokers falsely imply they are affiliated with show management and secure deposits and/or full prepayment from exhibiting companies. Beware of any solicitation received from any of the following third-party room brokers, amongst others, as **they are not sanctioned or vetted by NPE Show Management** to book hotel rooms for NPE2027:

- American Booking Services ([sales@americanbookingservices.com](mailto:sales@americanbookingservices.com))
- Check IN NOW ([customersupport@checkinnnow.com](mailto:customersupport@checkinnnow.com))
- Corporate Booking Services – CBS International ([reservations@allcbs.us](mailto:reservations@allcbs.us))
- Global Travel Services ([reservations@globaltravel-services.com](mailto:reservations@globaltravel-services.com))
- Kemet International ([support@kemet.international](mailto:support@kemet.international))
- Launch Pad Travel ([travel@launchpad.travel](mailto:travel@launchpad.travel))
- PEAK Housing ([sales@peakhousinginc.us](mailto:sales@peakhousinginc.us))
- Travi Guide ([exhibitions@traviguide.com](mailto:exhibitions@traviguide.com))
- World Wide Exhibitions ([reservations@wwexhibitions.us](mailto:reservations@wwexhibitions.us))

**If you receive a housing solicitation and are unsure of the vendor’s affiliation with Plastics Industry Association or NPE, please contact the NPE Show Management Team at [exhibit@npe.org](mailto:exhibit@npe.org) or 202-974-5235.**

Exhibitors will be notified by NPE Show Management once housing for the NPE2027 event is available through our official housing partner.

### **Attendee Email List Scams**

We would like to remind all exhibitors that any solicitation claiming to have the email list of NPE2024 attendees, or attendee lists from *any* NPE show, is fraudulent. If you are contacted by third-party companies via email or phone offering email lists, please be aware that the information they offer should be considered entirely suspect as we do not allow access to the contact information of show attendees or exhibitors. We encourage you to block the sender, delete the email, and report scams to the [U.S.FTC fraud division](#). When reporting, select “An Impersonator”, followed by “Well-Known or Trusted Business”.

We urge all exhibitors to be especially diligent when engaging with any vendor who is not an official contractor of NPE. PLASTICS and our official NPE vendors will never send emails from a non-business account such as Gmail, Yahoo, Outlook, etc.

**If you receive a solicitation and are unsure of the vendor’s affiliation with Plastics Industry Association or NPE, please contact the NPE Show Management Team at [exhibit@npe.org](mailto:exhibit@npe.org) or 202-974-5235.**
